

We strive to help adults...

- Enter employment and/or better their current employment
- Achieve high school equivalency (GED or Adult H.S. Diploma)
- Attain skills and certificates necessary to enter postsecondary education and training
- Become self-sufficient by exiting financial public assistance
- Learn to speak and write the English language
- Master basic academic skills to help their children succeed in school
- Earn U.S. citizenship and participate in democratic society
- Gain self-esteem, personal confidence and a sense of personal and civic responsibility

Mission Statement

Adult Basic Education in Minnesota provides adults with educational opportunities to acquire and improve their literacy skills necessary to be self-sufficient and to participate effectively as productive workers, family members, and citizens.

MANKATO ADULT BASIC EDUCATION

Services

Tutoring: Confidential, private tutoring is offered.

Child Care: Limited child care services are available. Children must be fully immunized and be between 16 months and kindergarten age.

Scholarships are available.

Transportation:

Door-to-door transportation is available on a limited basis.

For ABE participants only

The following classes are available in the New Ulm area:

GED
College Prep
Job Skills
FastTRAC

Classes

Basic Skills Training: Improve your reading, writing or math skills. Learn how to use computers, fill out job applications, manage your finances and many other real life skills.

ESL: English classes are divided into ability levels and focus on speaking, reading, writing and vocabulary development.

Citizenship: Study to take your US Citizenship exam. Receive assistance reviewing your paperwork, practicing interviewing, writing sentences and answering questions.

Diploma Completion: Finish your high school diploma through this independent study program.

GED: The nationally recognized GED is a high school diploma equivalency exam. Prepare for the GED by accessing our books, computers and practice tests.

College Prep: Strengthen your academic and computer skills as you prepare for college-level study in this online program.

FastTRAC Career Pathway: Strengthen your academic and employment readiness skills as you explore various career pathways.

Job Skills: Learn how to prepare for employment by filling out applications, interviewing and creating a resume and cover letter.

Volunteer Opportunities
