

# Pathways to Manufacturing Careers Mechatronics or Machining

MANUFACTURING: THE BACKBONE OF MINNESOTA'S ECONOMY!

**FastTRAC “Pathways to Manufacturing Careers” Course will prepare you for a rewarding career in manufacturing!**

**Gain the confidence necessary for college and employment success! Brush up your reading, math and computer skills while exploring manufacturing careers available in the region.**

**Participants will make connections at South Central College, area Workforce Centers and in the manufacturing industry as they develop a plan for their future in this FREE preparation course.**

## Eligibility Criteria

**You may qualify if you:**

- Will be at least 18 years old by August 25, 2014
- Are legally eligible to work in the U.S.
- Are unemployed or underemployed
- Are not academically prepared for college (eligibility is determined by the Test of Adult Basic Education)
- Have a HS Diploma or GED complete by July 1, 2014.

## Requirements

**To participate, students must:**

- Call us to complete TABE testing and an intake interview
- Be physically able to perform manufacturing work (requires heavy lifting & standing for 8-12 hour shifts)
- Commit to attending every class and about 6 hours of homework per week

## Free Preparation Course

**July 2—August 7, 2014**

**Course locations will be announced once we know the addresses of all participants.**

**Section 1: Mon/Wed/Thurs 8:30-11:30 a.m.**

**Section 2: Mon/Wed/Thurs 1:00-4:00 p.m.**

Those participants who demonstrate success in *Pathways to Manufacturing Careers* may qualify for resources and academic assistance as they enroll in fall semester, 2014 at South Central College.
